

OUR QUALITY POLICY

Global Humanitarian Aid Services is independent, not-for-profit organisation to respond to rising youth unemployment and entrenched disadvantage in the Melbourne.

Global Humanitarian Aid Services provides health, outreach, community and employment, education and training services to individuals experiencing disadvantage, unemployment, homelessness and alcohol and other drug issues.

OUR MISSION

- Organise Events for Community Services like Yoga camps, Tree plantation, Blood Donation camps, Youth support and homeless and unprivileged, Women suffering domestic violence and hardship
- To help Women who are emotionally and physically distressed, who has suffered from domestic violence and cannot afford their living expenses.
- Elderly people who are living alone; and suffering from mental and physical health issues as they lost their families and have no support.
- Providing assistance on a monthly basis for education fee on the language classes. The children will be taught how to read and understand the alphabets and recitation in Holy Ramayana. By attending the class, it will help the children to easily communicate with their parents and be bilingual at the same time as most of the children were born in Australia and only familiar with the ABC Alphabets.
- Open the handcrafts and sewing classes to increase the job opportunities of the members which lead to the decrease in financial hardship and depression.
- To promote religious, cultural and national celebrations such as Mother's Day, Father's Day, Ram Navami, Shiv Ratri, Christmas, Easter etc.
- To establish a multipurpose community centre for the members. The centre will be used to hold the classes, celebrations, events and praying.
- Providing assistance with funeral parlour including washing, shrouding and burying the dead.
- To conduct fundraising events for providing relief to people within the community who suffer from poverty, sickness and helplessness.
- Advancing social or public welfare.

Our staff are committed to this policy and are focused on continuous improvement, best practice and working as a team towards the common goal of excellence in quality service delivery.
