

QUALITY STATEMENT

Global Humanitarian Aid Foundation is a Not-for-profit organisation, ACNC registered charity and NDIS registered provider offering leading experience in the assessment and treatment of helping people with disabilities to gain independence, increase mobility, and improve their wellbeing.

Global Humanitarian Aid Foundation provides health, outreach, community, employment, education and training services to individuals experiencing disadvantage, unemployment, homelessness and alcohol and other drug issues. We assist vulnerable members in our community on a global scale. We work with people facing barriers to social and economic challenges and assist and support people who require both short-term and long-term assistance through a variety of support programs and services under the NDIS as well as on a charitable basis.

We work hard to improve the health of families in poor communities, people living with a disability, people experiencing domestic violence, vulnerable youth, people experiencing mental health issues, and the elderly.

OUR VISION, MISSION AND VALUES

OUR VISION

Provide life changing support for all vulnerable individuals on a global scale.

OUR MISSION

As a registered charitable organisation our aim is to support the broader community with a growing range of welfare assistance, education and support programs and to focus on long-term development. Our mission is to build a safe environment where families and communities can thrive.

OUR VALUES

Inclusivity / Respect / Dedication / Empowerment / Social Justice / Commitment

Our staff are committed to this policy and are focused on continuous improvement, best practice and working as a team towards the common goal of excellence in quality service delivery.

QUALITY STATEMENT

Global Humanitarian Aid Foundation's Board of Directors, Senior Leaders and Staff achieve the organisation's mission through commitment to:

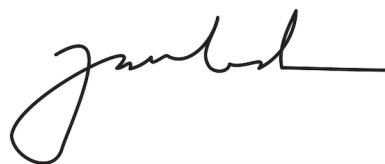

- Complying with requirements and continually improving the effectiveness of the quality management system.
- Continually reviewing and monitoring the organisation's performance and service delivery against performance and quality objectives.
- Delivery of well-coordinated, timely and streamlined services meeting client and stakeholder expectations.
- Adding value to our clients and sector by taking an educative, facilitative and supportive role to improve services outcomes.
